Student Background

Science Curriculum completed _____

Math Curriculum completed _____

Any learning glitches we should be aware of (behind in math, difficulty writing, difficulty reading, etc)_____

What areas of science are you most interested in_____

Please Initial the following:

_____I understand my student will be working with partners. I agree to cooperate with the families we are partnered with to share the work of preparing this event for competition and scheduling practices.

_____I understand that Homeschool Science Colorado is not a drop off program and parents are expected to participate alongside their kids – particularly on the B-team.

_____I understand that Regionals and State are required tournaments that my student must participate in unless circumstances prevent.

_____I agree to Homeschool Science Colorado's code of conduct – Be kind, Be helpful, Be positive, Be prepared, Be discreet. If you have a conflict with another member on the team, speak with leadership and we will work with you to resolve the issues.

_____I understand that team meetings are required. My students need to attend regularly and I need to contact leadership if a team meeting is missed.
